

Application No.: 10/655,133  
Art Unit : 3636

Attorney Docket No. 22761.00  
Confirmation No. 5799

### REMARKS

By the present response, Applicant has amended Claim 1, canceled Claim 2, and added Claim 4. Claims 1, 3 and 4 remain pending in the present application. Claims 1 and 4 are independent claims.

The Examiner rejected Claim 1 under 35 U.S.C. § 102(b) as being anticipated by Huang. Applicant appreciatively notes the Examiner's indication of allowability of Claims 2 and 3.

Applicant has amended Claim 1 to include the allowable subject matter of Claim 2. Additionally, Applicant has added new Claim 4, which presents allowable Claim 3 in independent form. Applicant submits that independent Claims 1 and 4 are patentable over the prior art of record.

In view of the above amendments, Applicant respectfully submits that the present application is in condition for allowance. If such is not the case, the Examiner is requested to kindly contact the undersigned in an effort to satisfactorily conclude the prosecution of this application.

Respectfully submitted,

Charles K. Friedman
